**WANADA Insurance: Now Accepting ACH Payments**

## OSHA Injury and Illness Electronic Reporting Deadline Today

Dealerships required to electronically file 2020 employee workplace injury and illness records with the Occupational Safety and Health Administration must do so by today, March 2, 2022.

Dealerships required to post and electronically file Form 300A (or state equivalent) include:

- Commercial-truck dealerships with 20 to 249 employees working at a single "establishment," defined as "a single location where business is conducted or where services or industrial operations are performed;" and
- Light-duty and commercial-truck dealerships with 250 or more employees at a single establishment.

Electronic filing must be done using [OSHA's Injury Tracking Application](#) and a [FAQs on the ITA submission process](#) is available on OSHA's website. A North American Industry Classification System (NAICS) number is required for filing: commercial-truck dealerships are NAICS 42311; light-duty dealerships are NAICS 44111.

Light-duty dealerships with *fewer than* 250 employees at a single establishment must annually record workplace injuries and illnesses, but are *not* required to file electronically with OSHA. Lastly, all dealerships must report any worker fatality within eight hours and any amputation, loss of an eye, or hospitalization of a worker within 24 hours. Lastly, all dealerships must report any worker fatality within 8 hours and any amputation, loss of an eye, or hospitalization of a worker within 24 hours. For more information on OSHA's injury and illness recordkeeping and reporting mandates, visit [OSHA's website](#) or contact NADA Regulatory Affairs at [regulatoryaffairs@nada.org](mailto:regulatoryaffairs@nada.org).

## Please Complete the 2021 NADA Data Survey

NADA needs your help to gather data for the 2021 NADA Data report. Dealers will receive a link from [economics@nada.org](mailto:economics@nada.org) to participate in NADA's three-question survey that takes no more than five minutes. Your participation will inform NADA Data, an annual report examining 2021 dealership sales, financial trends and more, and your responses will be used anonymously.

The deadline to complete the survey is Thursday, March 24. If you didn't receive an email or have any questions, please contact [economics@nada.org](mailto:economics@nada.org).

## RSVP for the WANADA Reception at NADA

If you're attending the NADA Show this year in Las Vegas, be sure to [RSVP](#) for WANADA's reception.

The formerly "tri-association" reception will now bring together four dealer groups, as the Kentucky Auto Dealers Association will join WANADA, MADA and VADA for the first time. The reception will be held on Friday, March 11 from 6:30 – 8:30 p.m. at Alexxa's

inside the Paris Hotel. WANADA would like to thank the event's generous sponsors: ACV Auctions, Armatus Dealer Uplift, Cox Automotive, DealerTrack, Doyle Construction, HHM, Naked Lime, Penney Design Group, Sherwin Williams, Reynolds & Reynolds, Rifkin Weiner Livingston LLC, TrueCar, Truist, and Zurich.

[Click here](#) to RSVP today!

## DC DMV: ODIS Update

In an email communication this past Friday, DC DMV announced that DeChelle Hampton has completed the transition into her new role as the program coordinator for their Online Dealer Interface System (ODIS), their proprietary electronic tag and titling application. Mrs. Hampton has been a valued member of the DC DMV Team for many years providing vital assistance and support to the Driver's Services Administrator while overseeing and managing multiple high-demand programs for the agency. In early 2022, Mrs. Hampton started her transition into the ODIS Program Coordinator role with a clear vision for ODIS, an established reputation for exemplary customer service, and an unwavering focus on process improvements.

DC DMV is also requesting that any time an ODIS related request, inquiry, or other communication is sent to a member of the ODIS Administration Team, all members of the ODIS Administration Team, and the ODIS Help Desk should be copied on the email. Having all members of the ODIS Administrative Team and the ODIS Help Desk copied on all email communications will help ensure that your email is addressed, even if a member of that Team is out of the office.

The ODIS Administrative Team is comprised of the following individuals:

- **DeChelle Hampton**, ODIS Program Coordinator
  - [Dechelle.hampton@dc.gov](mailto:Dechelle.hampton@dc.gov)
- **Fabien Toussaint**, Processing Center Manager
  - [Fabien.toussaint@dc.gov](mailto:Fabien.toussaint@dc.gov)
- **Darnell Fountain**, DC DMV Deputy Director
  - [Darnell.fountain@dc.gov](mailto:Darnell.fountain@dc.gov)
- The **ODIS Help Desk** email address is: [ODIS.helpdesk@dc.gov](mailto:ODIS.helpdesk@dc.gov).

If you are not currently a registered user for ODIS and would like information on the registration process, please contact Joe Koch at [jk@wanada.org](mailto:jk@wanada.org).

## Vehicles for Change Graduating Technicians in PG County

WANADA's friends over at Vehicles for Change (VFC) have recently opened a branch of their "Full Circle" auto tech training program in Prince George's County. Full Circle is a 4-month program designed to provide basic auto mechanic training and ASE certifications to individuals with multiple barriers to employment, including many who have recently been released from prison. VFC will be graduating their first cohort of Full Circle trainees in the coming weeks. If you are interested in hiring a Full Circle graduate at your dealership, please contact Michael Davis at [Mdavis@vehiclesforchange.org](mailto:Mdavis@vehiclesforchange.org).

Since Full Circle trainees are equipped with skills for basic maintenance and repair, they would also be eligible for WANADA's technician training program through the [Auto Dealer Education Institute](#) (ADEI). Full Circle is a natural proving ground for the advanced training ADEI apprentices receive. For more information on ADEI, please contact Joe Koch at WANADA: 202-821-5824 or [jk@wanada.org](mailto:jk@wanada.org).

## WANADA Insurance: Now Accepting ACH Payments

The WANADA Insurance Department is pleased to announce that ACH payments can now be accepted for all WANADA Trust products. The WANADA Trust utilizes volume discounts for certain employee benefits, including dental, life, disability and vision, to offer the most affordable pricing in the marketplace from nationally recognized carriers and providers.

"Because we specialize in car dealerships and have these exclusive deals within our Trust, there is truly no competition for pricing and service when it comes to these benefits," said WANADA Vice President of Insurance Ed Mullaney. "Even if a dealership gets their medical coverage through another broker, they should look at the WANADA Trust for dental, life and disability and/or vision insurance because we're confident we can save any dealership a lot of money."

For more information about the WANADA Trust or, if you are an existing client and would like to set up ACH to pay your WANADA Trust invoices, please contact Ed Mullaney or Connie Ryan at 202-237-7200 or [em@wanada.org](mailto:em@wanada.org) and [cr@wanada.org](mailto:cr@wanada.org) respectively.

**The WANADA Bulletin is Sponsored by the Following Kindred-Line Members:**
